

GROUP EXPERIENCES 2026 27

Winter fun is better together

Bring your group to Tube Town for an easy, active winter outing everyone will talk about on the ride home.

Why groups choose Bousquet

- **MORE RUNS**

A carpet lift takes the work out of getting back uphill.

- **READY TO RIDE**

Groomed lanes, tubes and mountain staff are all part of the experience.

- **EASY TO GATHER**

A simple, local winter outing for friends, families and community groups.

- **ADD A HOME BASE**

A cabana and fire pit gives your group a place to gather, warm up and celebrate between runs.
